Olive, Morris Township, New Jersey (hereinafter, "the Site").

11. The obligations of the Non-Municipal Defendants to pay the amounts owed the United States under this Consent Decree are joint and several. In the event of the failure of any one or more Non-Municipal Defendants to make the payments required under this Consent Decree, the remaining Non-Municipal Defendants shall be responsible for such payments.

12. Notwithstanding any other provision of this Section, the United States may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Consent Decree.

VII. COVENANT NOT TO SUE BY PLAINTIFF

13. Covenant Not to Sue by United States. Except as specifically provided in Paragraph 14 (Reservation of Rights by United States), the United States covenants not to sue or take administrative action against the Settling Defendants pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), or Section 7003 of the Resource Conservation and Recovery Act, 42 U.S.C. § 6973, to recover Past Response Costs. This covenant shall take effect with respect to each Group of Settling Defendants upon receipt by EPA of the payment(s) required by such Group of Settling Defendants under this Consent Decree. This covenant extends only to the Settling Defendants which have made their payment to their respective Group of Settling Defendants or to an escrow account established by that Group and does not extend to any other person.

14. Reservation of Rights by United States. The covenant not to sue set forth in Paragraph 13 does not pertain to any matters other than those expressly specified therein. The United States reserves, and this Consent Decree is without prejudice to, all rights against the Settling Defendants with respect to all other matters, including but not limited to:

- a. liability for failure of a Settling Defendant to meet a requirement of this Consent Decree;
- b. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments;
- c. criminal liability;
- d. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 6906; and
- e. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs.

VIII. COVENANT NOT TO SUE BY SETTLING DEFENDANTS

15. Settling Defendants covenant not to sue and agree not to

assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs or this Consent Decree, including but not limited to:

a. any direct or indirect claim for reimbursement of Past Response Costs from the Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;

b. any claim arising out of response actions at the Site for which the Past Response Costs were incurred; and

c. any claim against the United States pursuant to Sections 107 and 113 of CERCLA, 42 U.S.C. §§ 9607 and 9613, relating to Past Response Costs.

16. Nothing in this Consent Decree shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. 300.700(d).

IX. EFFECT OF SETTLEMENT/CONTRIBUTION PROTECTION

17. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. Each of the Parties expressly reserves any and all rights (including, but not limited to, any right to contribution), defenses, claims, demands, and causes of action which each Party may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto.

18. The Parties agree, and by entering this Consent Decree this Court finds, that those Settling Defendants which have made their payment to their respective Group of Settling Defendants or to an escrow account established by that Group are entitled, as of the effective date of this Consent Decree, to protection from contribution actions or claims as provided by Section 113(f)(2) of CERCLA, 42 U.S.C. § 9613(f)(2), for "matters addressed" in this Consent Decree. The "matters addressed" in this Consent Decree are Past Response Costs.

19. Each Settling Defendant agrees that, with respect to any suit for contribution brought by it for matters related to this Consent Decree, it will notify EPA and DOJ in writing no later than 30 days prior to the initiation of such suit, provided, however, that no notification is required with respect to any new claim brought against parties already named in this action. Each Settling Defendant also agrees that, with respect to any suit for contribution brought against it for matters related to this Consent Decree, it will notify EPA and DOJ in writing within 30 days of service of the complaint upon it. In addition, each Settling Defendant shall notify EPA and DOJ within 30 days of service or receipt of any Motion for Summary Judgment, and within 10 days of receipt of any order from a court setting a case for trial, for matters related to this Consent Decree.

20. In any subsequent administrative or judicial proceeding initiated by the United States for injunctive relief, recovery of future response costs, or other relief relating to the Site, a Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenant Not to Sue by Plaintiff set forth in Section VII.

X. PRODUCTION OF RECORDS

21. By signing this Consent Decree, each Settling Defendant hereby certifies individually that all documents have been produced pursuant to the May 7, 1997, letter from counsel to the Honorable Alfred J. Lechner, Jr., and the case management orders entered by this Court, relating to such party's liability. Those documents have been imaged onto computer disks, which are currently in possession of the United States. To the extent that additional documents are discovered or produced in this matter, either hard copies or computer images of them will be provided to the United States at the conclusion of this litigation, or earlier at the request of the United States.

22. By signing this Consent Decree, each Settling Defendant hereby certifies individually that, to the best of its knowledge and

belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents or other information relating to its potential liability regarding the Site since notification of potential liability by the United States or the State of New Jersey, or the filing of this suit, and that it has fully complied with any and all EPA and State of New Jersey requests for information.

XI. NOTICES AND SUBMISSIONS

23. Whenever, under the terms of this Consent Decree, notice is required to be given or a document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing.
